**Blue Moon**—A flavorful Belgian-style wheat ale, with a mix of spices, blended with the tart sweetness of orange peel. May be garnished with an orange slice.

**Leinie's Honey Weiss**—Brewed with selected malted wheat and a hint of real Wisconsin honey. It has a light, crisp, slightly sweet taste. Goes great with a slice of lemon.

**Boulevard Pale Ale**—Smooth, medium-bodied, and well-hopped ale with an amber color. Made in Kansas City, Missouri.

**Leinie's Creamy Dark**—Brewed with dark roasted malts, known as chocolate malts. Has a deep, dark color and a velvety, creamy flavor. Smooth and drinkable all year long.

**Guinness**—Traditionally brewed in Ireland for more than 240 years. A pint of Guinness is perfection at its best.

**Coors Light**—Refreshing, light-bodied, low-calorie premium light lager.

**Hub City Brown Ale**—Medium-bodied beer in traditional style with a pale brown color with a hint of nut and caramel. It has a light, clean flavor and smooth finish, perfect for warm summer days.

**Miller Lite**—Pilsner brewed with choicest hops for premium taste and ultimate freshness.

**Schmidts**—This beer has a lot of history here, too much to list. So just order up "A Bowl of Schmidts." Always cool and refreshing.

**Fat Tire**—This amber ale's appeal is in its feat of balance: toasty, biscuit-like malt flavors coasting in equilibrium with hoppy freshness.

**Seasonal Taps and Bottles**—Please ask server about our seasonal selections.
